## **Transdisciplinary Play-Based Assessment 2 Training - Introductory**

### **Description:**

This three-day introductory session will provide a complete overview of the Transdisciplinary Play-Based Assessment System and is designed for teams who are new to the TPBA process or interested in forming an assessment team. It is also appropriate for new team members joining existing TPBA teams.

Participants will learn about 1) Best practices in assessing young children, 2) How to assess the critical domains of development while a child engages in natural play with others, 3) TPBA-2 tools and process guidelines for obtaining information from parent, 4) the importance of the team process in TPBA-2 and 5) How to incorporate the TPBA-2 system into North Carolina eligibility guidelines.

This is a multi-media presentation with videotaped diagnostic child observations. Participants will receive a copy of the Transdisciplinary Play-Based Assessment-2 by Toni Linder and published by Brookes Publishing and applicable handouts.

**CEUs:** 1.8 CEUs will be awarded for completion of this three-day course
